Warns People Not To Vote Illegally

County Clerk William H. Augustus Monday told registrants who are aware they are not qualified to vote at the Nov. 7 election not to vote.

Augustus' warning followed a report that an investigation of asserted fraudulent registration in several California counties is under way. Augustus said nothing had been called to his attention by investigators and he said only one case of illegal registration in this county had come to his attention.

Augustus said the lone case was of a woman who had registered for the Nov. 7 election in San Mateo after living in California only three months. He said it was a case of misunderstanding, explaining that an inexperienced registration deputy had neglected to ask the woman when she entered the state. He said he came upon the case by accident and declared he had no way of knowing if there were other such cases.

"I have no investigators," he said.

He said he had suspicions that some war workers had registered for the presidential election either through misinformation or ignorance of the law. A citizen must have been a resident of the state a year or more before the election, of the county 90 days or the precinct 40 days.

In his warning, Augustus pointed out that a person who votes when he is not qualified may be prosecuted for perjury for signing a false affidavit and for voting illegally.

San Mateo County has a record registration of 76,180, of which 39,512 are Democrats and 33,417 are Republicans.

Extinguish Burning Brakes on Car

Burning brakes on an automobile driven by J. Lombardo, 778 Forest Ave., Palo Alto, were quickly extinguished by Fireman W. Leslie of the Redwood City Fire Department Tuesday afternoon at 2:18 o'clock.

Leslie, seeing the fire across the street from the fire station on Middlefield Rd., drove a truck out of the station, and extinguished the blaze before much damage was done to the automobile.

If you want a tenant like this, call Mr. Duckwall, SUtter 2355, San Francisco, collect, 9-5 daily. You'll be glad you did, and so'll we!

Menlo Park Ghouls Declared Sane

Walter J. Perry, 32, and Cole V. Madison, 18, who had admitted disinterring and mutilating the body of Dolores Sifuentes, 21, of Redwood City, have been judged sane and are to be returned to San Mateo County to stand trial on charges against them.

This was made known to Sheriff James J. McGrath's office this week by Dr. M. J. Rowe, medical superintendent of the Mendocino State Hospital at Ukiah, who said Perry and Madison "are now sane and ready to be returned to court for resumption of legal proceedings pending against them."

Chief Dep. Sheriff Walter Moore said the two ghouls would be returned here late this week or early next week. The two will be brought to trial, Chief Dep. Dist. Atty. A. S. Whitmore said.

Perry and Madison were committed to the state hospital at Ukiah on Aug. 7 by Superior Court Judge Andrew R. Schottky, sitting for Judge A. R. Cotton, after he ruled they were insane, upon testimony of a two-man psychiatric board.

Dr. Allen H. Williams, medical director at Twin Pines Sanatorium at Belmont and chief of the psychiatric clinic at Community Hospital, who had been appointed by Judge Cotton as a member of the psychiatric board, testified Madison had the mentality of a 7 or 8-year-old boy and that Perry had the mental age of "not much over six."

Dr. E. W. Wilson, superintendent of Agnew State Hospital, second member of the psychiatric board, did not appear at the court trial here, but sent a written statement which collaborated with Dr. Williams' testimony.

Perry and Madison admitted disinterring and mutilating the body of the young Sifuentes woman in Holy Cross Cemetery, Menlo Park, on Apr. 8. Perry was a gravedigger at the cemetery at the time of the crime. Madison, who lived at Mountain View, was employed at various jobs. He had been given a medical discharge after a short stay in the navy.

Divorces President Of Sherman Clay & Co.

Superior Court Judge Andrew R. Schottky of Mariposa County, sitting for Judge Maxwell McNutt, Tuesday afternoon granted an interlocutory decree of divorce to Sybil Price McCormack, 515 Edinburgh St., San Mateo, from Dwight F. McCormack, president of Sherman Clay & Co., San Francisco.

Mrs. McCormack was awarded $300 a month alimony, which is to be paid until she remarries or until her death. Under terms of an agreement which was approved by Judge Schottky, McCormack will pay her $10,000 over a five-year period, with the provision that, if she remarries before the expiration of five years, the balance will be paid in equal shares to Jeanne and Barbara Kelly, Mrs. McCormack's daughters by a previous marriage.

DRUNK DRIVING CHARGE

Frank Martin, 22, who gave his address as the Franstaff Hotel, Redwood City, was arrested on a charge of drunkenness by Officer John Tucker of the Atherton Police Dept. Monday morning.

Menlo Park Council Denies Cabin to Robert Sherman

Tom Kearney's resignation as police chief, the appointment of Max Mielke as building inspector, and a denial of Robert Sherman's request to leave his cabin on Olive Ave. property were the major items on the agenda of Tuesday's meeting of the Menlo Park City Council.

The council received Police Chief Kearney's letter of resignation in which Kearney stated that he appreciated the individual requests of council members asking him to return to his former position. He added, "At this time I would like to express my thanks for the many considerations and the trust you placed in me. With best wishes to the council and my successor."

Mayor Donald Fisher proposed that a resolution be passed expressing the council's appreciation for Kearney's many years of service to the City of Menlo Park.

Max Mielke was appointed city building inspector by a three to two vote of the council. The two dissenting votes were voiced by Councilman Wallace Brown and Mayor Fisher.

A one-sided discussion was heard on the request of Robert Sherman, former submarine officer, who applied at the last council meeting for permission to occupy a cabin on property near Olive and Santa Cruz Aves. Sherman was not present last night.

Property owners, led by W. H. Gilson, Miss Ruth Kapelsky, George Naylor, and Roy Freeburg appeared before the council to demand the immediate removal of the cabin. Naylor told the councilmen, "I understand this building has been sold by Sherman and we demand that it be removed at once."

Miss Kapelsky stated that she objected to the "sentimental" articles which appeared in the papers concerning the Sherman cabin. She felt that the facts of the case had not been fairly presented.

Joe Willis, Menlo Park Gazette editor, in reply to Miss Kapelsky's accusation, asserted "The press wasn't the only one taken in by Sherman's eloquent plea. The entire council and Gilson fell for it just as hard as we did."

The council finally denied Sherman's application by a unanimous vote after consulting with City Atty. James O'Keefe on the legal aspects of the case. After being assured by Mayor Fisher that the cabin would be removed as soon as legal steps could be taken, the group of angry property owners left the meeting.

The council heard a report of the Menlo Park Planning Commission meeting held Oct. 20.

Two ordinances were adopted by the council last night. They were an approval of the new zoning formation and the adoption of the 1943 uniform building code.

The council agreed to adjourn until Tuesday, Nov. 14, at 7:30 p.m. at the city hall.

Dibble Hospital To Receive Plaque

Dibble General Hospital at Menlo Park has been commended for having 300,000 continuous working hours involving no loss of time through accident, Maj. Gen. William E. Shedd, commanding general of the Ninth Service Command, announced this week.

A plaque will be presented to the hospital in the near future, said General Shedd.

Also to receive the award for its safety record is the Presidio of Monterey.

"These installations have contributed invaluably to the war effort, and have set a worthy example in safety measures," General Shedd stated in announcing the awards.

To receive commendations, in lieu of plaques, for their contribution of more than 200,000 continuous hours involving no manhours lost because of accidents are: Pasadena ASF Regional Hospital, Ninth Service Command Rehabilitation Center at Turlock, Signal Corps Photo Center in Beverly Hills, and Baxter General Hospital in Spokane, Wash.

The honors are awarded as part of a safety program throughout the eight western states of the command where the accident frequency rate for September was reported the lowest since Jan., 1943.

The plaques will be presented in frames, and the commendations will be in the form of letters from the general to commanding officers at the installations.

ADMITTED RUNAWAYS

Three girls, two aged 16 and one, 17, were being held in the county juvenile home Monday for the arrival of officials from the Ventura State School from which the trio escaped last week.

The girls were picked up by Redwood City police on El Camino Real near Harrison Ave. Saturday night, and on Sunday, admitted that they were runaways from the school.

Ousted Daly City Chief of Police Didn't Take Oath, Testimony Indicates

Revelation that James G. Reardon did not take an oath of office after his last appointment as police chief of the City of Daly City was made today at a trial of Reardon's suit for reinstatement to the post of police chief, from which he was ousted June 26.

The case, heard today before Superior Court Judge Andrew R. Schottky of Mariposa County, sitting for Judge Maxwell McNutt, was submitted on briefs. Attorneys were given 15 days to file the briefs.

Reardon made the disclosure to the court that he did not take oath of office after his last appointment under questioning of J. W. Coleberd, counsel for the City of Daly City, against whom Reardon's suit was filed.

Reardon said he first was appointed chief of police in April, 1936, and continued in office for two years. He was appointed again in 1940.

"Did you take an oath of office in 1940?" Coleberd asked.

"No, I don't think so," Reardon replied.

Judge Schottky asked if the council "let a man run around arresting people without being under oath."

Joseph J. Bullock, counsel for Reardon, waved a resolution in the air and declared, "This is your answer."

The resolution was the one passed June 26 dismissing Reardon from the office of chief of police. Bullock contended that showed that the council recognized him as police chief.

Reardon, who asked that he be reinstated as police chief and reimbursed for back salary (his salary was $250 a month), testified he was never served with charges of incompetency. Reardon's counsel contended Reardon was improperly removed from office.

Bullock charged the council was in contempt of court, contending it had not carried out an order issued in superior court here for Daly City to adopt civil service rules and regulations.

Mayor A. J. Gaggero testified rules and regulations had been compiled but had not been adopted. Reardon's counsel brought out a statement made by Gaggero the night of June 26 that he did not believe it was proper procedure for the council to sit as a board of review.

B. C. Ross, city clerk and personnel clerk of Daly City, testified under questioning that to his knowledge no board of review had been called and that no written charges had been filed through him against Reardon.

Mayor Gaggero said a board of review had been appointed "tentatively."

Bullock declared that "Reardon up to this minute has not had his day in court."

Coleberd argued that Reardon did not ask for a hearing of the council, sitting as a board of review, and that therefore he was

'Democrats for Dewey' Club Picks Chairman

Jerome F. MacDonald was named temporary chairman of the Redwood City branch of the "Democrats for Dewey" which was organized at a meeting here last weekend. Other members of the executive committee named at the meeting were Edmund Scott, Dr. Harper Peddicord, Omar E. Doyle, and A. A. Moran.

In his first statement after being appointed to head the Redwood City group, MacDonald sounded the following keynote for his organization: "We have taken a solemn pledge to save our party and our country from the fourth term and from the new dealers and from the Communists. From that patriotic purpose we shall not deviate."

Wesleyan Club Installs New Officers

Installation of the group's new officers highlighted the thirteenth annual banquet of the Wesleyan Club of the First Methodist Church last weekend at Grace and Pierre's Restaurant.

Clinton Gleason replaced W. D. Heflin as president, and other new officers include Virgil Reed, first vice-president; Alice Reed, second vice-president; and Doris Zehm, secretary-treasurer. They replace Ray F. Thompson, Ruth Rose, and Earl Whitaker, respectively.

The Rev. Rector Johnson of San Jose discussed "Hoe on the Griddle," in the featured talk of the evening. Toastmaster Donald L. Bogie introduced the following, who also gave brief after-dinner talks: Ernest Baker, Edwin Hunt, Dr. Irvin Engle, and Earl Whitaker.

Legion Post 105 Has Anniversary

Celebrating 25 years of active service in behalf of World War veterans, the American Legion Post 105 of Redwood City held a banquet Saturday night in the Veterans Building.

With 60 members in attendance Lt. J. D. Tollison, USN, Moffett Field chaplain, made a plea based on his 16 months' experience as a chaplain in the Aleutians, that no bad news be relayed to our boys in the fighting zones.

Capt. W. M. Dettmann, in charge of a San Francisco submarine base, and who escaped Manila in his submarine in Dec., 1941, spoke briefly, as did Mayor W. W. Hilton, who reminded the legionnaires that on Oct. 27 the nation is to observe the 23rd anniversary of Navy Day.

Among those at the dinner were the following who are charter members of the post, W. W. Hilton, Floyd Granger, Wilbur Doxsee, C. G. Uhlenberg, Stanton Mullen, Joe Ross, Father C. E. Kennedy, and Joe Faso.

The meal was prepared and served by the American Legion Auxiliary with Mrs. Ellen Ott, president, in charge.

A. B. Blakely was chairman for the night and Comdr. Jack Evans presided.

Newfoundland's annual total cod catch averages 1,500,000 cwt.

Montgomery Ward

Held on Charge Of Stealing Hay

Two Daly City youths were in the county jail this week for allegedly stealing baled hay from the barn of William Deeney at Tunitas Canyon, nine miles south of Half Moon Bay.

Vincent J. Marsili, 18, and a 15-year-old boy were apprehended by Deeney and a neighbor, Manuel Bettencourt, after the boys had unloaded the hay on a ranch near Tanforan and were returning for a tailgate they had left at the Deeney ranch.

Bettencourt told sheriff's deputies he saw the truck drive away from Deeney's property and he and Deeney took off after the truck. They lost sight of the truck after they had trailed it eight miles, however.

Bettencourt and Deeney observed the truck on Pedro Mountain after it had been unloaded and was returning. They stopped it and called the sheriff's office. The boys had a gun in the truck but they offered no resistance, the sheriff's office reported.

The two were booked for petty theft.

Asks Court To Order Partner's Accounting

Florence A. Dayton of San Mateo today asked superior court here to order Frank Peterson, owner of track equipment at Bay Meadows race track, for an accounting and dissolution of partnership.

An oral agreement was entered into Jan. 5, 1925, that the two would engage as co-partners, and the suit states that Peterson removed personal property on July 15, 1943, without permission of his co-partner. He refuses to give an accounting, the suit states. Also asked in the suit is that a receiver be appointed.

Redwood City Community Chest-War Fund Total Reaches 88 Per Cent of 1944 Goal

Closing in rapidly on its 1944 quota, the Redwood City Community Chest-War Fund Wednesday had reached 88 per cent of its goal as returns released by Chest headquarters recorded $24,650.92 has been donated during the present drive.

Outstanding contribution during the past 24 hours, Chmn. Duncan Reynard explained, was $1700 turned in by Col. Walter Kellogg, chairman of the Industrial Employes group, which had been pledged by members of the International Longshoremen's and Warehousemen's Local 6.

Kellogg said that honor scrolls will be presented to each of the groups included in the C. I. O. pledge, which includes employes at the Plant, Rubber & Asbestos Co., S & W Fine Foods, Atlas Mineral Co., and Garden City Products.

In addition, S & W reported a contribution of $521.50 by employes, other than those included in the C. I. O. group, bringing Kellogg's group's total collections to $3256.

United States Post Office employes turned in an additional $46 during the day and teachers at Lincoln School subscribed $58. Palomar Park district, under hte leadership of Major Arthur White, checked in with a total of $479, topped slightly by Emerald Lake's $98, Reynard explained. The Rainbow Girls, spurred by Col. Lois Bray, turned in $104.75 to complete the day's activity.

Part of the Community Chest-War Fund collection in this area will go toward the upkeep of the USO mobile service unit, directed by A. P. Patten.

Patten, whose headquarters is in Redwood City, spends his week making calls at approximately 18 army, navy, coast guard, and marine stations in isolated districts supplying these men with candy, cigarets, games, cards, paper, envelopes, books, and magazines.

In addition, Patten takes a new moving picture to each station each week and brings along entertainers to perform for the service men.

Patten made a last-minute plea for local citizens to contribute to the drive so that this service may continue unretarded.

A. P. Patten, director of the USO mobile service unit in this area, is shown giving games and other materials furnished through the War Chest to service men stationed in the Redwood City area.

Navy Day Is Topic For Toastmasters

Why Americans celebrate Navy Day was one of the topics at their dinner meeting Monday night, as the Toastmasters Club orators built their program around this holiday that will be held nationally this Friday.

Speakers included Rod Rodenhius, who discussed "Navy Day!" S. S. Mayo, who spoke of "Mental Engineering;" Clarence Argo's talk, "An Application of Logical Thinking;" Thomas Cutting's revelation, "My Little Black Book," and Louis Harvath's presentation, "Vital Issues."

Dr. W. C. Gordon was master of ceremonies.

Next week's chairman, James Hagan, reported that his speakers would offer a humorous session.

Coffee's Been Around

Brazil furnishes about two-thirds of the world's coffee. The coffee plant, which originated in East Africa, traveled to Arabia, to Amsterdam, and to Java before it reached South America.

Former R.C. Resident Rescued Prisoner

PFC Omar A. Schoenborne, former resident of Redwood City, is one of 83 prisoners of war who were rescued from the Philippines by American troops, according to an announcement from Gen. Douglas MacArthur's headquarters in the Philippines.

Schoenborne resided at 232 Fifth Ave. for a time and later moved to 389 Fourth Ave., where his sister-in-law, Sylvia Blaeser, and her husband, Tony, resided.

The Blaesers moved from Redwood City in Dec., 1941.

Schoenborne was aboard a torpedoed enemy transport and was hidden by guerrillas until removed from the islands, the Associated Press said.

His wife, Mary, resides in San Francisco, friends here said.

Pleads Not Guilty To Burglary Charge

J. B. Clayton, 18-year-old San Mateo Negro, this week before Judge Maxwell McNutt pleaded not guilty to a charge of burglary. Trial was set for Nov. 9 at 10 a.m.

Clayton and Edward Brooks, another San Mateo Negro, are charged with taking 61 cases of beer from a storage house at 22 South Claremont St., San Mateo, on Aug. 5.

Clayton was a witness to the barroom stabbing of Herbert L. Taylor, 22-year-old Negro sailor, by Raecie L. Sisson, Negro war worker.

$100,000 Suit Against SP

Families of two persons killed when a train struck their automobile at the Fifth Ave. crossing here a year ago this week filed suit in superior court here Tuesday against Southern Pacific Co. for a total of $100,000.

Ernest E. Olson, father of Fern Delores Olson, 20, asked $50,000 for his daughter's death and Yvonne Parker and Mrs. Lila June Parker, daughter and widow, respectively, of Walter Parker, 26, asked $50,000 for Parker's death.

Parker and his sister-in-law died of injuries received in the accident when Parker was driving her to her work at a grocery store on Main St. Miss Olson was killed instantly. Parker died four hours later at a San Mateo hospital.

The Parkers and Miss Olson lived at 109 Columbia Ave.

Named defendants besides the Southern Pacific Co. were two employes, Arthur M. Colin and Frank Fernandez.

Arrest Four Youths For House Breaking

Four San Carlos and Belmont youths, ranging from 12 to 14 years of age, were apprehended by sheriff's deputies and San Carlos and Belmont police Monday afternoon for breaking into a house owned by George Von Glahn on a road between Bayshore Hwy. and radio station KPO.

Taken from the house were a watch and chain valued at $150, a radio and a ring. The youths sold the radio for $5 but they still had the other items in their possession. The youngsters said they had been swimming nearby a week ago about dusk when they broke into the house. Identity of the boys was learned by San Carlos police at the store where the radio was sold.

The boys are in the juvenile home here.

Booklets on Postwar Program Mailed

Mailing of nearly 5000 books explaining the proposed $998,000 bond issue has been completed, City Mgr. Robert W. Mead said Tuesday.

The books, which contain illustrations and descriptions of the projects which would be included in the postwar program, have been distributed to Redwood City homes by the city.

We Don't Understand People of Asia: Heffelfinger

Lack of study and understanding of the way people of Europe and Asia live had much to do with the present war and may be the cause of future aggression, if proper precautions aren't taken in the United States, Lt. C. H. Heffelfinger, welfare and education officer at Moffett Field told members of the Lions Club last night at their dinner meeting at Sodini's.

Explaining that internationalism can be taught as well as languages, Lieutenant Heffelfinger said that democracy has been taught in such a way in some European countries that even though these nations have been overrun, the people still retain the united spirit to live.

Lion members also heard a discussion of the proposed Wings and Anchors Club in Redwood City for women members of the armed forces.

Sequoia Faces Panther Eleven

BY DAVID SCHUTZ

With the winner taking over—at least temporarily—undisputed possession of first place, Sequoia High School and Burlingame High School's undefeated football teams meet tomorrow on the Panther's gridiron in the first "crucial" of the 1944 Peninsula Athletic League grid season. Kickoff is set for 3:30.

These two elevens, along with Palo Alto won their first games in conference competition last week, and while the Vikings draw a bye tomorrow, either the Cherokees or the Panthers will leap into sole ownership of the top spot—a position Sequoia has had at least a part of for the past two years.

Other contests this week pit South San Francisco and San Jose together in the Garden City with the home team an odds-on favorite, and Lincoln makes its debut against San Mateo on the Bearcat's field. The true strength of the Honest Abes is expected to be shown for the first time in this struggle.

Returning to the titanic between the men of Coaches Clyde Devine and Swede Righter, it appears that the contest will probably go to the team showing the more aggressive team play. Both Burlingame and Sequoia have proved in their early encounters that each is the type of squad that makes the most of the opportunities presented, and the team that makes the fewer mistakes tomorrow will probably walk off the field in first place.

Coach Devine reported that he is starting the pass-snagging bean pole, Dick Clegg, at right end against the Panthers, replacing Jim Mason, who was injured in practice this week. This appeared to be the only lineup change, although he was uncertain about the starter for the right guard berth where Hawkes and Moore are staging a close race for the job.

Burlingame centers its offensive around Dick Sheehan, key man in Righter's T-formation attack. A flock of shifty runners will share the left halfback duties for the Panthers; Duane Chaney is expected to open that post, but Jack Frey and Don Valencia will also see considerable action.

It was Chaney and Frey who put on most of the offensive against San Jose last week as Burlingame whipped the southerners, 21-12, in an early-season upset. Chaney and Frey each tallied once, while Chaney had a hand in each of the three conversions.

Denis Dunlop, Sequoia's plunging fullback who scored twice in the opener at South City, will carry the brunt of the local's running attack, although Devine has shifted Paul Kent to left halfback, along with Ivan Allain, in the hope of making some of his off-tackle and end reverses click against the Panthers.

Ted Hovig, named by his teammates as their permanent captain for 1944, and who has sparked the Cherokees from his tackle spot to three wins this season, will probably be used as a line backer, should Burlingame develop a passing attack.

Lineups:

Sequoia	Pos.	Burlingame
Phil Bozzo	L.E.	Al Nulle
Capt. Hovig	L.T.	Lloyd Johnson
Howard Stuart	L.G.	Don Mullins
Andy Musante	C.	Ed Sekins
Bob Hawkes	R.G.	Bob Gill
Sheridan Lee	R.T.	Norm Elrod
Dick Clegg	R.E.	John Conway
Bob Blackman	Q.	Dick Sheehan
Ivan Allain	L.H.	Duane Chaney
Jerry Vistica	R.H.	Dave Barnett
Denis Dunlop	F.	B. VanAlstyne

R.C. Groups To Honor Navy Day This Week

As a special tribute to Navy Day, which is to be celebrated nationally this Friday, Mayor W. W. Hilton this week arranged with 20 Redwood City organizations, the churches and Sequoia High School to devote some time preceding that date for a program dedicated to the development of the United States Navy's activities.

In his proclamation, Mayor Hilton stated, "As we approach the climax of a tremendous global struggle, we pause to honor the memory of John Paul Jones, the father of the American Navy, who gave us traditions of gallantry to uphold, and Theodore Roosevelt, the champion of American sea power, whose birthday has become the annual date for Navy Day. . . ."

Already heeding the mayor's request for civic action, the Lions Club and Toastmasters Club turned over their meetings this week to Navy Day, and other groups indicated that they would follow this example.

Mrs. Kalenborn Talks At Historical Meeting

History of San Mateo County lumber mills from the early days of oxen teams in Redwood City to the present motorized methods was described by Mrs. A. S. Kalenborn at the October meeting of the San Mateo County Historical Assn., at the San Mateo Junior College.

Following the talk, members of the association discussed its hope that Butano Forest would remain as a county recreational park. In this respect, Pres. Paul A. McCarthy named the following committees to devise a plan whereby Butano could be reserved: A. H. Sagehorn, A. S. Kalenborn, Col. C. N. Kirkbride, B. L. Werder, Mrs. William J. Hayes, R. A. Hunter, and Mrs. W. F. C. Zimmerman.

SHS Mermen Lose to Paly

Sequoia High School's opening bid in defense of its P.A.L. water polo title was unsuccessful yesterday as the Cherokee mermen dropped a 9-4 decision to Palo Alto High School in the Viking's tank.

Playing without Capt. Gordon Taylor, the Redwood City team could not cope with their rivals, who took an early lead and were never headed. Al Collins, who collected three points, and George Gilboy with one did the scoring for Sequoia.

Ray Tenzer and Charles Day, who handled the goalie assignment for the Cherokees, won the praise of Coach Warren Day for their work against Palo Alto.

Stoeven, Moyer Lead League Bowlers

Harold Stoeven and Frank Moyer shared honors in Men's Major League bowling play last night. Stoeven's 255 topped single game scores and Moyer's 650 was best series.

Record Gives Trojans Edge In Battle for Rose Bowl Bid

LOS ANGELES (AP) — Based on what they've been doing lately, the Southern California Trojans appear to be the likely nominee from the West for the Rose Bowl game New Year's Day.

They haven't lost a Pacific Conference game and they've won only one. UCLA tied them, 13-13, and so did California, 6-6. California beat UCLA, 6-0, and meets Washington Saturday in Berkeley.

The Trojans disposed of St. Mary's Preflight, 6-0, and the following week the Preflighters whipped UCLA. Southern California thumped Washington Monday night, 38-7.

These games will tell the story, however: Washington at California Saturday; California at UCLA Nov. 11; Southern California at California Nov. 18, and Southern California at UCLA Nov. 25. Washington plays only two conference games this season, missed its chance by losing to the Trojans.

Biggest factor in determining the winner will be the effect of navy transfers after Saturday's games. California loses 15 players and that just about sounds the death knell of Coach Stub Allison's chances. Among those being sent elsewhere are backs Muir and Quist, and linemen Hachten, Madigan and Higgins.

WHEN ALL AMERICA SHOPS AND SAVES **WARD**

BE SURE TO SEE THESE WARD WEEK COAT VALUES 24.75

These exceptional bargains are news all over town! For there's a coat for everyone at Wards . . . at a price that hardly seems possible. ALL WOOL suedes, ALL WOOL knit fleeces, cotton backed for extra long wear. Also wool-and-rayon combinations. USE YOUR CREDIT . . . Ask about our convenient monthly terms. Any $10 purchase will open an account.

MONTGOMERY WARD

MANY OTHER VALUES . . . Shop in our Catalog Department for thousands of items not in our store stocks.

SWAP AND SHARE . . .

We want to try out an idea in wartime service. We hope it will be helpful to many of our customers.

The plan is this. We have set up, in our local offices, an appliance clearing house service so that our customers can list any of their appliances which they are not using and do not need.

We also invite customers who desperately need certain appliances to list their requirements with us.

In this way, we hope to perform a worthy service by putting those who are willing to sell appliances in touch with those who need appliances and are anxious to buy. After this, buyer and seller deal among themselves. The company serves as a free listing agency—nothing more.

Surely in many a home there is a good toaster, range, radio or refrigerator or other appliance tucked away in closet or garage. Somebody needs it and can use it. It sounds right neighborly, doesn't it? Will you help?

Redwood City Brought Into PAC Inquiry

Redwood City was brought into the Political Action Committee inquiry in San Francisco yesterday when a recently-publicized worker was accused of making derogatory remarks concerning the condition of a pier on which he was working here.

Charles Becker, first witness at the hearing and business agent of CIO Ship Clerks Union 34, charged that L. K. Hyde of San Francisco, who was publicized by Westbrook Pegler in a recent article claiming he was purged from Union 34 for his Republican views, had said "it was no place for a white man to work." He also charged Hyde had heckled winch drivers about "being foolish enough to contribute to the Political Action Committee."

Hyde failed to answer a subpena to be present at the three-day hearing conducted by Democratic Representative Gathings of Arkansas.

Becker testified Hyde "had come to us from the longshoremen's union under false pretenses that he was unable to do longshore work," and said he had been cited before the union's executive board Mar. 15 for "inefficiency." He was given another chance and was dismissed Sept. 14.

Becker denied Hyde had been asked to contribute to the PAC at any time, and said he preferred charges against him for interfering with the longshoremen at work and heckling them for the political affiliations.

Pegler's article was quoted by Atty. John A. Caddell of the committee as saying that Hyde had said he paid two $1 assessments for the defense of Harry Bridges. Becker declared that was incorrect. He said that subsequent to Hyde's discharge, "we voluntarily assessed ourselves $2 for the Bridges defense fund." Becker denied Pegler's allegation that all who failed to contribute to the PAC were dismissed.

Native Sons To Hold Class Initiation

Redwood Parlor, Native Sons of the Golden West, will hold a class initiation tonight during its meeting in the Foresters Hall, Chmn. Arthur N. Blomquist announced.

George F. Boring, newest member of the Native Sons in Redwood City, was initiated earlier this week during ceremonies held at Burlingame where the Redwood Parlor assisted in the degree work.

Redwood City Eagles Plan Whist Party

Several hundred persons are expected to attend tomorrow night when the Eagles hold their annual whist party in the Odd Fellow's Hall at 8 o'clock.

Chmn. Hilton Gibson announced that funds from the benefit will go toward sponsorship of several activities by the Redwood City lodge.

Redwood City YMCA Sets Annual Halloween Party Tuesday Night

Annual Halloween party sponsored by the Redwood City YMCA will be held Tuesday night in the McKinley School auditorium on Duane St., between James and Harrison Aves., it was announced today by Andrew Spinas, chairman of the committee in charge.

Several outstanding numbers have been arranged and three movie shorts will be shown. Games and contests will be conducted. B. B. Berman of Redwood City, well-known entertainer, will be master of ceremonies.

All boys and girls of Redwood City are invited, Spinas said. Admisison is free. The program is scheduled to start at 7:30. Doors will open at 7 o'clock.

Bay Meadows Closes .... Race Season Today

SAN MATEO —The Bay Meadows track closes its most successful season today as the 41-day Fall meet winds up horse racing until next spring.

Suspicious Sausages

SYDNEY, Australia —A flourishing trade in horseflesh for pets sprang up here after stringent meat rationing, but rumors that it was going into sausages and pies resulted in bills being passed enforcing strict control of the meat.

On the STREET

by DAVE SCHUTZ DICK SCOTT

A comment: "The **cost of living** hasn't gone up so much that I can see."

Tempting answer: "Brother, go into a store and buy **a dozen eggs** and say that again."

★ ★ ★

Even the best of them were taking their fling at **Bull Durham** yesterday.

★ ★ ★

How to save time in a **grocery store**—if you don't mind a good swift kick in the pants from the person behind you.

Yesterday, we saw **a husband** stand in line with a couple of small items, and as he moved up on the line, **his wife** went around the store and gathered a number of other purchases, brought them back and handed them to her husband who by this time had reached the No. 2 spot.

★ ★ ★

People were scrambling to the **cigaret machines** this morning, emptying them as fast as they were filled and of course completely ignoring signs saying one package to a customer; give the other person a chance.

★ ★ ★

On the corner of **Webster and El Camino** is a "man-hole" with **"The City of San Mateo"** clearly written on it. This might be very confusing to a stranger or an inebriate.

Mt. Carmel Wins, 33 to 7

Mt. Carmel's high-flying touch football team ran to an easy 33-7 victory yesterday over the McKinley "C" squad in an after-school league game at McKinley's field. Touchdowns were scored by Roy Griffin and Willard Duin, each of whom had two, and Bernard Cesario. Dwayne Cooper tallied for the losers.

The Mt. Carmel Commandos won by default from the Beavers, and in a practice game they lost a 28-12 decision to a McKinley pick-up team. The Wildcats also won by default from the Destroyers, although beaten 14-12, because the Destroyers used an ineligible man.

Additional after-school games, under the direction of Lee Alderman, will be played daily, he reported today. Three leagues have been established for Redwood City youth.

American-Soviet Council on Peninsula

A regional council of American-Soviet Friendship, with members from Burlingame to San Jose, has been organized under the name of Peninsula Council and has its temporary headquarters at 740 Creek Dr., Menlo Park.

Purpose of the organization, non-political in character, is "to promote better understanding and strengthen friendly relations between the United States and the Soviet Union as essential to the winning of the war and the establishment of world-wide democracy and enduring peace."

The Peninsula Council is not a dues-paying membership organization, it was pointed out. Councils have been organized throughout the United States.

On the executive committee of the Peninsula Council are Michael Shapovalov of Menlo Park, chairman; Holland D. Roberts, Palo Alto, vice chairman; Holbrook Bonney, Menlo Park, recording secretary; Harriet G. Eddy, Menlo Park, corresponding secretary, and L. Shapovalov, Menlo Park, treasurer.

The electron, smallest unit of matter, first was identified in 1874 by an Irishman, C. J. Stoney.

San Mateo JC Plans Building

Col. Charles N. Kirkbride has announced that the San Mateo Junior College Board of Trustees, of which he is chairman, plans to proceed as rapidly as possible with the new building program at the junior college.

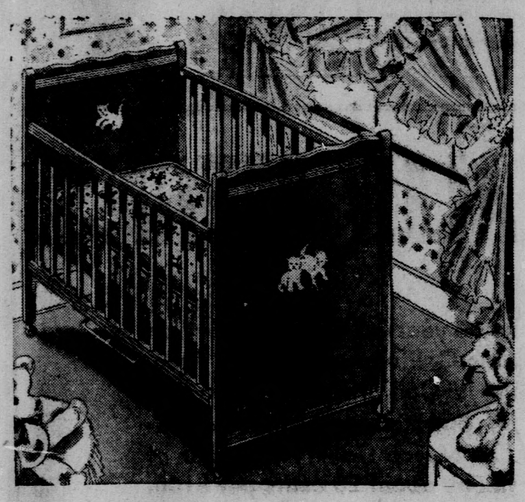
Colonel Kirkbride named Carleton Herrmann as chairman of a special committee on new buildings and appointed J. C. Johansen and U. S. Simonds Jr. as members of the committe to initiate action.

The trustees informally agreed that the first construction should be a classroom building and that auditorium and administration building needs should be incorporated in such a building for the present unless it becomes apparent that other building funds can be raised.

Expenses have been approved for the newly-named committee to visit Sacramento to consult the school house division of the state architect's office. Expenses also will be paid for the committee to visit other junior colleges in obtaining ideas for the new buildings.

A standing building and grounds committee will have the same personnel as the new building committee, except that Simonds will be chairman. Mrs. Stella Jensen has been named to head the legal proceedings committee. Johansen will be a member of that committee.

WEEK WILL BE BACK AGAIN NEXT YEAR!



HI-LO PANEL CRIB PRICED LOW AT WARDS 16.88

MORE SHIPYARD WORKERS WANTED

To

Help Build Assault Ships for Admiral Halsey and General MacArthur

★

The workers at the Western Pipe & Steel Company shipyard, South San Francisco, have received the following message from Admiral W. F. Halsey, Jr., Commander of the 3rd Fleet:

"Experience in the Pacific has demonstrated the need of fast troop transports and cargo carriers in amphibious operations . . . We depend upon you men and women in the shipyards to give us more of these vital assault ships with all possible speed . . . Will help to speed us on our course to victory."

★

This shipyard, operating on a 10-hour shift, of which 2 hours is overtime, is in urgent need of the following workers:

Electricians
Pipe Fitters
Sheet Metal Workers
Shipwrights
Welders
Helpers in all crafts

★

Every red-blooded American not already engaged in war industry work will be eager to pitch in to help Admiral Halsey and General MacArthur mop up the Japs.

Melone Trial Set By McNutt for Nov. 21

Superior Court Judge Maxwell McNutt Monday set Nov. 21 at 10 as the time for a jury trial of Gerald Melone, Ralph Dugger and Sipiron Balenzuela on charges of participation in the burglary of more than $18,000 worth of jewels and furs from the home of Mrs. Dorothie Heller Kok, 841 Hayne Rd., Hillsborough, Aug. 15.

Melone, 27-year-old San Francisco socialite, and Dugger, 26, and Balenzuela, 26, seamen, are charged with burglary and grand theft.

Melone, who was with Mrs. Kok in San Francisco the night of the burglary, allegedly mapped the burglary allegedly committed by Dugger and Balenzuela.

Melone and Balenzuela were present in court today. Dugger's presence was waived. All three are free on bail.

Regular baking soda, mixed with a small amount of talcum powder, makes a good fire extinguisher powder.

PUBLIC NOTICE

Notice of Time and Place Fixed for Hearing of Petition to Lease Real Property—No. 8234, Dept. No. 2—Probate.

Redwood City Woman's Son Navy's Newest Fighter Ace

ARTHUR P. MOLLENHAUER

Ensign Arthur Mollenhauer, the navy's newest fighter pilot ace, is the son of Mrs. A. L. Dawson, 171 East Selby Lane, it was learned here this week.

Mollenhauer, who had never seen an enemy plane in the air before Oct. 12, that day shot down five Japanese planes before he returned to his carrier.

Taking part in a fighter sweep over Formosa, the 21-year-old pilot saw his first enemy plane, knocked it down, and 10 seconds later downed another plane.

From then on, it was just a case of seeing his third, fourth, and fifth Jap planes and knocking them out of the plane-filled sky.

"They just kept flying in front of me and I just kept my finger on the gun button," he told a correspondent in the ready room after the battle. His face was streaked with oil and his hands were still shaking from excitement.

His fellow pilots were not as modest concerning Mollenhauer's achievements, however, as was the new ace. The Jap pilots in the dog-fight were well seasoned and put up a cagey fight, they said. This was only too evident from the fact that four American pilots did not return.

Mollenhauer, who received his commission in the navy air corps at Corpus Christi, Oct., 1943, has been stationed in the Pacific since March.

He enlisted in the navy following his graduation from Mission High School in San Francisco, and for 18 months before being assigned to pre-flight school, was an aerial gunnery instructor in Chicago.

While stationed at St. Mary's preflight school, he was appointed cadet company commander in recognition of his "military ability and leadership qualities."

His wife, Eleanor, resides in Santa Barbara while her husband is overseas.

His brother, Robert, is now at Green Cove Springs, Fla., having recently been graduated from an aviation trade school at Norman, Okla. He entered the navy in March, and was graduated from Sequoia High School in January. He is a seaman, first class.

Another brother, Paul, is a sergeant in the signal corps, and is now stationed in France.

Port Security Induction Friday

Robert C. Garvey, temporary ensign in the U. S. Coast Guard Volunteer Port Security Force, announced this week the induction of the first Peninsula unit of the San Francisco Regiment will be conducted Friday at 8 p.m. in Sequoia High School auditorium.

The ceremony will be open to the public, and will include a concert by the VPSF band conducted by Boatswain Charles Sellick of South San Francisco.

Commander (t) Roy C. Ward, in command of the San Francisco regiment, will preside and Mayor W. W. Hilton of Redwood City will extend a greeting on behalf of the city.

According to Garvey, about 60 members of the class will be inducted. All will have passed examinations and will be prepared to go on active duty some time next month. Duty will be restricted to San Mateo County.

There are a few openings in the Peninsula, sub-unit, especially for daytime duty, it was pointed out. Volunteers, who are equipped and trained by the coast guard, serve without compensation 12 hours each week, divided into two 6-hour watches.

Enlistments are being accepted at the Redwood City city hall and at the police station in San Mateo.

Redwood City Police Arrest Sunnyvale Man

John J. Pavlina, 49-year-old Sunnyvale rancher, was arrested for contributing to the delinquency of a minor, and his 16-year-old girl companion was booked for curfew violation by Redwood City police Sunday night at 11 o'clock.

Police said the two were in a bar near the Five Points intersection, and that Pavlina was serving liquor to the Sunnyvale girl.

Allegedly involved in a disturbance with Pavlina, Robert Schroeder, 20, was returned to coast guard officials today following his arrest on investigation of battery.

Schroeder was arrested shortly after Pavlina was arrested by Officers C. V. Stafford and Ted Moudakas of the Redwood City Police Dept.

Pavlina was the signer of a complaint against James V. Holt, San Francisco Water Co. watchman, who in July, allegedly posed as a deputy sheriff and halted Pavlina on Canada Rd. Pavlina charged battery.

With the Sunnyvale rancher when he was halted and assertedly struck by Holt was the same girl who was with him last night, officers said.

During a person's waking hours the eyes, are in a continuous state of activity.

Takes $10,000 Suit Under Submission

Superior Court Judge Maxwell McNutt has taken under submission a suit for $10,000 filed by Domenico Fabbro, Redwood City baker, against A. Fernandez, San Bruno police officer, for malicious arrest.

Fabbro, who was arrested early the morning of Aug. 23 by Fernandez on a charge of speeding and imprisoned nine hours en route to the U. S. marshal, alleged his wife was told it would do no good for her to go to the couple's Redwood City home at 1518 Stafford St. to get his wallet containing his draft card and operator's license.

Fabbro operates a bakery on Broadway here.

San Carlos Woman Arrested in R.C.

Myfanwy M. Williams, 42, who lives on Chesham Ave., San Carlos, was arrested by Redwood City police this week after a collision at El Camino Real and Winkleblock St.

Booked on a drunken driving charge, Mrs. Williams struck a parked car owned by Joe Delucchi, Jr., 1416 Oxford street, Redwood City, police said.

She was released on $100 bail.

Noah Webster's first dictionary was published in 1806.

Albert E. Johansson's Book of Verses Printed

Mrs. Rosemary Johansson of Redwood City was paid tribute recently by her late husband, Albert E. Johansson, whose book of verses, "In Strictest Measure," has been published by Bruce Humphries, Boston.

The book, which includes some 50 sonnets by the former San Jose State College student, is dedicated to Mrs. Johansson, who did much of the assembling of the poetry for publication.

Johansson, who distinguished himself as winner of nearly all the awards in poetry in the annual Phelan contest, became ill early this year while sailing aboard a Norwegian merchant ship and died soon after of pneumonia.

Frank Martin Fined $35 in Atherton Court

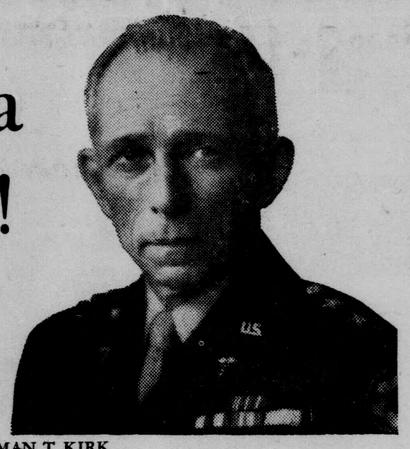
Frank Martin, 22, of Redwood City, who this week was arrested for drunkenness in Atherton, last night pleaded guilty and was sentensed to pay a fine of $35.

Martin, who was arrested by an Atherton officer who found him in a parked automobile, gave his address as the Franstaff Hotel, Redwood City.

The richest iron ore pockets in the U. S. are in Minnesota's Mesabi Range.

California Women!

"The U. S. Army Medical Department urgently needs you now"



MAJOR GENERAL NORMAN T. KIRK
Surgeon General U. S. Army

IF there burns within you a sincere desire to do something active and important to help win the war, here is your opportunity. Join the WAC—serve in the Army Medical Department, where women are vitally needed now. You can help bring the war to a quick, successful end. You can help bring our loved ones—your loved ones, perhaps—home sooner. And you can learn a valuable technical skill that may be the foundation of a career after the war.

With the biggest battles of the Pacific still ahead, the West must take a still more active part in the war. You are needed here, in Australia perhaps, or elsewhere behind battlefronts, to give our men the needed attention.

The care and rehabilitation of the sick and wounded is a woman's noblest work. Get into it if you can. If you are between the ages of 20 and 50 and have no children under 14, or other dependents, call the nearest U. S. Army recruiting County Court House, Redwood City.

GREYHOUND SERVES, TOO

Greyhound is happy to publish this message throughout the West for the WAC. We are in war work, too—providing transportation for them and other branches of the Armed Forces . . . aiding in troop movements . . . transporting wounded . . . at the same time carrying on an essential service for the traveling public. And Greyhound is looking ahead, planning for a finer, larger, better highway travel service when the war is won.

RETIREMENT PAYMENTS, GROSS INCOME TAX. Initiative Constitutional Amendment. Adds Article XXX providing $60 monthly payments, beginning June 1945, to citizens having required residence, who are sixty years old or over, or totally and permanently disabled, including those in military service, or blind. Recipients prohibited from gainful occupation and required to expand payments. Provides 3 per cent gross income tax on persons and organizations, except non-profit organizations; proceeds distributed between State General Fund and special fund established for payments. Permits increase of payments, reduction and increase of tax, and relaxation of eligibility requirements. Repeals Sales and Use Tax.

Yes | | No | X

WHAT No. 11 REALLY MEANS:

1 It provides a state pension to everyone 60 years of age and over as a RIGHT and NOT as a relief measure. The California Taxpayers Association estimates that a million people in California will have this RIGHT. It makes no provision for the NEEDY, and imperils the present Federal contribution for relief estimated in San Mateo County this year at $280,000. This will raise your property tax by about 20 cents per $100. Federal participation is based on NEED rather than RIGHT.

2 It abolishes the state sales tax of 2½ per cent. **This is a baited hook to get the votes of the unthinking.** This present fiscal year San Mateo County schools will receive about $638,000 of Sales Tax money. With the withdrawal of these funds, the taxpayers on the average will find their school taxes raised about 48 cents per $100 on homes and other real property.

3 There is to be established a gross transactions tax of 3 per cent **or more.** It can be raised to 5 per cent if the 3 per cent tax does not produce enough money. This tax will be placed on **every transaction from primary producer to final consumer.** Stated otherwise, it is a pyramiding tax which, it is estimated, will raise the COST OF LIVING from 15 to 25 per cent. It is a hidden tax, with all the deceptions of such taxes.

4 **It would bring into being another taxing machine and a horde of job-holders — administrators, investigators, clerical help, theorists, and also the inevitable political favorites. It all started in Los Angeles.**

5 Estimates of the amount which will be taken from the public annually are placed at ONE BILLION DOLLARS, or about twice what the state revenues are in these flush days.

6 "The most vicious measure since 'Ham and Eggs.'" So says the California Taxpayers' Association.

7 Above all, DON'T BE DECEIVED by the BAIT to vote to abolish the sales tax of 2½ per cent.

R.C. Community Chest Drive Nears Goal

In an effort to disprove the theory that the final 10 per cent are the hardest to get, Chmn. Duncan Reynard announced today that he expected the Redwood City Community Chest-War Fund to go over the top in the last few days remaining.

Yesterday's total return showed that $25,395 has been turned into the war chest fund in Redwood City since the start of the 1944 drive, which is approximately 91 per cent of the $28,000 goal, Reynard said.

Members of the United Automobile Workers' Local 76 employed at the National Motor Bearing Plant and General Motors were among the members of CIO unions which donated $1700 to the Redwood City chest campaign, Evelyn H. Carlson, campaign secretary, reported.

Inhalation of gasoline fumes reacts in some people the same as do alcoholic beverages.

County's All Time High Registration Soars to 81,500; 4300 Service People

San Mateo County's all-time high registration has swelled to more than 81,500, including 4300 service people, County Clerk William H. Augustus announced today.

Secy. of State Frank M. Jordan today announced San Mateo County's total registration was 81,394. Augustus said that was the figure he sent to Sacramento on Oct. 14, but since that time approximately 150 more service people's registrations have come in, placing the present figure roughly at 81,544.

"The total is changing from day to day, as service people keep sending in registrations and ballots," Augustus said.

Secretary of State Jordan listed the San Mateo County registration by party as follows: Democratic, 42,412; Republican, 35,233; Prohibition, 19; declined to state, 3730. Augustus said he did not break down the total figure sent to Jordan by party, as service people do not have to state party affiliation. He sent the party affiliation for civilian registrants. Apparently the party figures released by Jordan were computed on a percentage basis.

Peak registration for any previous election in San Mateo County was 60,040, which was attained at the May election.

Jordan said California's current registration for the Nov. 7 general election is 4,141,331, the greatest in history and 88,936 larger than the all-time high set for the 1940 presidential election.

Of the current registration, 58.41 per cent is Democratic and 37.89 per cent Republican, Jordan said.

The Republican party showed an increase in its percentage and the Democratic party dropped, as compared to the 1940 registration. During the four-year period the Republicans gained 90,022 registrations and the Democrats lost 663.

Out of the total registration in the state, 52 counties were Democratic and the remaining six Republican, the latter losing two since the May consolidated primary election.

Librarian Announces Added Volumes

Librarian Wilhelmina Harper announced a list of new popular novels which have been added to the shelves of the Redwood City Public Library:

"Target Island," Brophy; "Boomerang," Chambliss; "Escape the Thunder," Coleman; "Cane Patch Mystery," Cunningham; "Island in the Sky," Gann; "Bermuda Calling," Garth; "Green Dolphin Street," Goudge; "What They Don't Know," Greene; "Tomahawk," Hinkle; "You, the Jury," Liebeler; "Army of Shadows," Kessel; "Watch Out for Willie Carter," Naidish; "Alibi for Isabel," Rinehart; "Oasis," Robertson; "Cluny Brown," Sharp; "Pastoral," Shute; "Listening Valley," Stevenson; "Being Met Together," Wilkins.

Urges Dispensing Of Outdoor Lights

In a nationwide effort to conserve electrical power, the War Production Board has requested of the Redwood City City Council, Chamber of Commerce, and other organizations that tney campaign for dispensing of outdoor decorative lighting this Christmas similar to the appeals of the last two years.

Officials of the WPB estimated that nationwide conservation of electrical lighting will save enough fuel to meet the annual lighting and power requirements of a city of 50,000.

Edward Hannibal Heads Dancing Club

Edward Hannibal was named president of the San Carlos-Belmont Folk Dancing Club at its October meeting.

Other officers named include Dr. David Sears, program chairman; Edward Grindle, hall chairman; the Rev. Noble Owings, reception chairman; Mrs. Phil Whitwam, refreshment chairman; Mrs. Don Harris, secretary-treasurer; Mrs. Paul Miller and Mrs. George Ybarreta, publicity co-chairmen, and Mrs. Robert Taylor, dance instructor.

Only One License Plate to Each Motor Vehicle

One license plate will be issued to each motor vehicle owner when registration is renewed for 1945, it was announced today by Director Gordon H. Garland of the State Dept. of Motor Vehicles.

The single plate will be displayed on the rear of the car. Steel restrictions imposed by the War Production Board has made it impossible to issue plates in pairs, Garland said. However, Garland said that recent removal of these restrictions may make it possible to issue two plates for each vehicle in 1946.

First shipment of the 2,750,000 plates ordered for 1945 for passenger cars has arrived in Sacramento from the manufacturer and the number needed to service motorists of San Mateo County will be shipped to the Redwood City office of the California Highway Patrol in time for the opening of the 1945 renewal, Jan. 2, Garland said.

The 1945 plates have a black background with dull white letters. In accordance with regulations of the department, no low or special numbers will be available, the lowest being 1A101. Requests for numbers to correspond with house or telephone numbers will not be granted because of the necessity of removing the plates from the regular order in which they are issued.

Boll-Weevil Monument

A statue was erected in appreciation of the boll-weevil in Enterprise, Ala., since this insect taught Southern planters the necessity of growing varied crops and better-producing types of cotton.

Prices in this ad are effective Thursday through Saturday, October 26-27-28 inclusive, in San Francisco, Oakland, Alameda, Berkeley, Richmond, Hayward, and other cities and towns (except Menlo Park) in San Mateo, Alameda and Contra Costa Counties, unless changes are required as a result of new OPA regulations.

Yes, Naturally Fresh Produce Is a Safeway Feature!

The fruits and vegetables you buy at Safeway are just as fresh as can be. Chosen for quality—rushed to the store—displayed for you in all their delicious natural freshness! Stock up today!

SAFEWAY

A lot to do with Apples!

NO ONE NEEDS a recipe to enjoy a good eating apple, whether the occasion be Hallowe'en or just any day at all. But for apples that are better when cooked, here are appetizing suggestions.

GLAZED BAKED APPLES

(These are the kind you get in fine restaurants—but there's nothing complicated about preparing them): Wash 6 large baking apples, remove blossom ends, and core about 2 inches deep. Fill each cavity with 1 or 2 tbsps. sugar, dash of cinnamon and nutmeg. Place in baking dish, with small amount of water. Bake in moderate oven (375° F.) about 45 minutes. Make syrup of 1 cup sugar and 1 cup water; boil 5 minutes. Remove cover for last 15 minutes of baking, and baste frequently with syrup. Serve warm or cold, with cream or chilled custard sauce.

And if you like apple sauce in full, crystal-clear pieces, then try this recipe for

TRANSPARENT APPLE SAUCE

Wash 6 medium-size cooking apples, pare, quarter, remove cores. Place apples in saucepan; add ½ cup water. Top with 1½ cups sugar. (¼ tsp. nutmeg and ½ tsp. cinnamon may be added.) Do not stir. Cover; cook slowly without stirring until apples are tender and transparent (about 20 to 30 minutes). Cool with cover on.

To go with roast pork or ham, surprise your family with

CATSUP APPLES

Core, but do not peel cooking apples. Cut in half crosswise, and place in baking dish, cut side up. Top each half with ½ tbsp. catsup and ½ tbsp. butter or margarine. Add enough water to cover the bottom of the dish. Bake in moderate oven (350° F.) for about 30 minutes. Just before serving, turn the cut sides of the apples down, to absorb the juice.

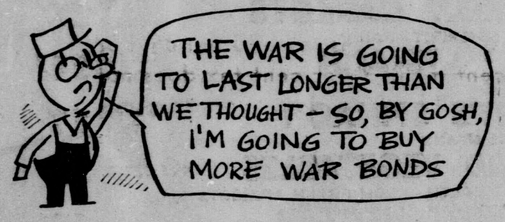
J-M Smokestack By Jim Asbestos



Payroll "V"-Ductions Still Going Strong

If anybody thinks there's a lull in payroll savings for war bonds, he has another guess coming.

In January, 1942 there were only 3,800,000 workers buying war bonds with payroll deductions. Today there are 27,600.000.

The monthly deductions are now over 500 million dollars—the highest they've ever been. This adds up to almost 6 billion a year.

Payroll "deductors" buy a battleship every week—and that ain't a canoe.

Buy war bonds and keep 'em 'till maturity.

They Died That We Might Think

The sad and tragic plight of those paratroopers at Arnhem made the whole world shudder and think. They dramatized the fact that the war was not going to be the apple-pie pushover that some of us might have thought it would be a few weeks earlier.

Churchill says the European war may go into 1945. An OWI survey reveals that the Japs have 4 million men in arms and 3 million more available, and that the Japs are making 1500 planes a month—so the Jap war may take one and a half to two years after a European victory. We CAN'T QUIT OUR HOME FRONT STRIVING YET.

It's a Small World—For J-M

Mrs. Billie Patterson, of the Cut Gasket Department in J-M's Waukegan (Ill.) plant, heard from her husband, Pfc. Everett Patterson, stationed in Italy, that while working on a jeep he went into a storeroom for an asbestos gasket and darned if they didn't hand him one made by Johns-Manville in Waukegan.

J-M Post-War Job News

In a recent message to J-M employees outlining prospects in Johns-Manville following victory in Europe, Lewis H. Brown, president of the company, said: "We shall not have to shut down our plants for reconversion. We can go immediately to work on a backlog of orders for civilian needs and on the many new orders which will then come through, especially for building materials and for repair and improvement of industrial plants. We estimate that we won't have as much business next year as this, but it will be larger than prewar 1940, and therefore there will be more regular peace-time jobs."
